TALK ABOUT THE SCRIPTURE

The Bible tells us that the Israelites were in Egypt for 430 years and that about 600,000 men left with Moses. If we add to that number the women, children, and other Egyptians who wanted to be a part of the Israelites, we can estimate that more than 2 million Israelites left Egypt. That's equal to the population of Chicago, Illinois—the third largest city in the United States.

Now think about all those people crossing the Red Sea on dry land while God held back the water. How amazing it must have been to see a whole city of people walking through the middle of those walls of water. Once again, God had demonstrated His power over creation and over the enemy so that His people could be free.

The Bible describes how our sin has made us enemies of God, but it also shares God's plan to rescue those who believe. Ephesians 2:4-5 says, "But God, who is rich in mercy, because of his great love that he had for us, made us alive with Christ even though we were dead in trespasses. You are saved by grace!"

When there was no way out and all hope seemed to be lost, God provided a way for the Israelites to be free. Likewise, when we were lost in our sin and without any hope of saving ourselves, God sent Jesus to rescue us from sin.

**Moses led the Israelites out of Egypt, and God provided a way for them to escape through the Red Sea. The Bible says that Jesus is greater than Moses. (Hebrews 3:3)
People who trust in Jesus escape the penalty of sin and have eternal life.**

***Pray:** God, thank You for showing us Your great power through the story of the Red Sea crossing and through the life, death, and resurrection of Jesus. Help us to believe in Your power to save and to know Jesus as the Savior who offers us new life with You.*
